Let us Pray...

- * We are providing tutors to our local elementary school for the ColumbusReads program. Pray that the tutors would build good relationships with the kids and that we would be allowed to tell the students about our Bible Clubs. Pray for the families of the students, for their openness to us and for our relationships with parents and siblings.
- * Pray for the many events we have coming up: the Spring Celebration, Garage Sale, a Missions Team from Mountview Baptist and the Music Festival. They require planning, money, and time so please pray that we would plan wisely and remain focused on the Lord.
- * Pray for Burt Manchester, who has recently joined our staff part-time. He is still raising financial support for his work with us.
- * Pray for Pastor Tony Burns, who has recently retired from his secular job to be a full time pastor in our community.
