

ReWire
Discipleship for a new era

Cost: \$2,500

The \$2500 participation cost covers: leader/facilitator, books, and administrator. In addition, participants are expected to pay for living expenses, personal travel, and a short-term mission/vision trip. Participant may hold a job (preferably under 30 hrs/wk) to pay for these expenses, or raise financial support.

Curriculum

Each Mission House discipleship year will be facilitated by a cross-cultural expert. Over the course of the year, each participant learns deeper pathways to the inward life with God, the outward life in solidarity with the marginalized, and their shared life together. Books and journals are provided for curriculum.

Commitments

- One-year term
- Volunteer with a local community partner 10-15 hrs/wk
- Attend required house meetings
- Commit to daily contemplative practice
- Attend a local church in the community
- Engage all formation materials
- Participate in common fund for utilities and rent
- Participate in a cross-cultural mission/vision trip
- Attend a one-day solitude retreat

ReWire Mission Houses are intentional discipleship communities located in urban neighborhoods of need.

During one year of purposeful development, participants will discover, establish, and live out new patterns of incarnational living. ReWire's learning structures develop the inward life with God, outward life building solidarity with the marginalized, and shared life together in community.

**AUTHENTIC
INTENTIONAL COMMUNITY**

DEEP SPIRITUAL FORMATION

**SOLIDARITY WITH THE
MARGINALIZED**

*Our hope is to release
deeply rooted change
agents - inspired by
new visions for God's
church in the world.*
